

Job Description:

Acclaim Multi-Specialty (Acclaim) is a multi-specialty medical group practice comprised of over 500 physicians, nurse practitioners, and physician assistants that partner with JPS Health Network (JPS). Acclaim supports JPS's mission of transforming healthcare delivery for the communities we serve. From primary care to pediatrics to a full range of specialties, Acclaim's goal is to provide high-quality, compassionate care for every patient, every time.

As the county health network and Level-1 Trauma Center, JPS has been serving the residents of Tarrant County for over 100 years covering a 3.5+ million population. In addition to providing high-quality care, JPS is also an urban teaching hospital with a long history of training physicians and medical students. JPS offers 18 residency and fellowship programs, including the largest family medicine residency in the nation. JPS educates in tandem with the University of North Texas Health Science Center, Texas College of Osteopathic Medicine, and Texas Christian University Medical School.

The Department of Internal Medicine is currently seeking a **Full-Time Dermatologist** to join our team. The Department of Internal Medicine provides specialty services across the continuum of care at JPS. We currently have over 90 providers who work in a variety of different locations including the Main Hospital, Ambulatory Surgery Center, and our Community Medicine Clinics. Our specialties include; Cardiology, Neurology, Gastroenterology, Nephrology, Pulmonology, Critical Care, Endocrinology, Infectious Disease, Dermatology and Rheumatology.
