

The University of Texas McGovern Medical School, Department of Dermatology in Houston, is seeking Board-Certified or Board-Eligible dermatologists for full-time clinical faculty positions. Candidates must obtain a license to practice medicine in Texas. The positions are posted as open rank positions, commensurate with experience. A typical expectation is for 80% patient care activity. Faculty with research grants or other academic duties can be hired with appropriate lesser patient care responsibilities. Teaching and other activities of the faculty can be adjusted according to mutual interests of the faculty member and the department. The department currently has 21 residents and 3 fellows. There is a close affiliation with MD Anderson Cancer Center.

Applicants must apply at [Faculty \(Open Rank\) - Dermatology, McGovern Medical School](#). UTHealth Houston is an EEO/AA employer. UTHealth Houston does not discriminate on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, national origin, age, disability, genetic information, or veteran status or any other basis prohibited by law or university policy.
